AUTUMN TERM 2 COLLECTIVE WORSHIP	TOPIC	BEST ATTENDANCE THIS WEEK
LOVE AND THANKFULNESS	TOYS	OAK WELL DONE!

As I sit writing this I can hear the children in Oak Class enjoying a wonderful Teddy Bear's Picnic to introduce their learning theme of Toys and Bears. They were so excited when the picnic basket was opened to reveal 'real' food! They are all practising using their manners and saying what they like and don't like. They are also singing the parts they know from the age old Teddy Bear's Picnic song - great joining in Oak Class!

Lots of children from Reception have been sent to me this week to show me their wonderful writing. They are really developing as writers and can apply their sounds to words and captions. It's one of my favourite things to see!

Writing has also been developing and extending in Years 1 and 2 this week with the story of The Gingerbread Man. Year 1 have been retelling the story, trying hard to remember the correct order, and Year 2 have adapted the story to write their own versions. I have been very impressed with the stamina developing in Year 1 and the use of interesting language (haven't foxes got a lot of adjectives that can describe them??), and with the ability to adapt and invent new characters yet keep to the story structure in Year 2. I've read about Ice Lolly Man, Pancake Man and Cookie Man to name but a few. Impressive work all round!

In a mixture of Science and Design Technology this week, the children talked about how ingredients change when mixed/heated/cooled etc, and then designed their own gingerbread man. They are very excited about making and decorating these next week, to watch how the ingredients change! Perhaps this is something you can talk about at home when the children help to prepare meals or do some baking with you.

SCHOOL DONATION

Mr Patel and his family from 'Capel News' have kindly donated an amazing £175.00 from the Christmas raffle they organise for our school.

We're truly overwhelmed by the support we get from our local community and, in a time when budgets are decreasing, such donations make a massive difference to our little village infant school.

Thank you to the Patels and to everyone who bought a ticket in the raffle. Do please add your thanks for their support of this school when you next visit the shop.

BEHAVIOUR

This week Mrs Ratcliff and Mrs Bromham spent some time looking at the behaviour of the children during unstructured times (playtimes, walking around the school etc). It was very pleasing to see how willing the children are to help and support one another, as well as how good they are at imaginative play and engaging in games on the playground. They were extremely good at talking about how to keep safe in the playground and knowing what rules they should follow. As always, there is work to do and ways to improve but with the children's input we think the behaviour around school can be excellent!

Please keep an eye out in the next few weeks for our updated behaviour policy which will be sent out by e mail.

SPARES

We are now down to ZERO SOCKS!!

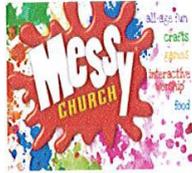

If anyone is able to donate any we would be hugely grateful. Or if you know your child is prone to accidents, playing in mud, getting wet... please can you provide them with a spare pair or two to keep in their bag.

Many thanks for returning swimming kits. We are still a few short from earlier in the year if you could check at home.

SAFETY

You may have noticed that the trim trail is out of action currently whilst it waits for minor repairs and servicing. Please can we ask you to NOT let the children (including siblings) play on the equipment before or after school. All children must also be kept off of the grass areas whilst we wait for some work to be done on overhanging trees. Many thanks for your understanding and support with this.

Proudly presents

by Michael Brennan

"The Snow Queen" is the story of a girl's devotion to her true love. It is based on a story by Danish author Hans Christian Andersen.

The Snow Queen is determined to prolong winter. She and the Hobgoblin make an evil mirror that reflects back only what's ugly and hateful, but when it shatters into millions of tiny pieces the fragments blow in the wind and get into people's eyes and hearts so they can see only the bad in everything and they become "cold like a lump of ice".

Two childhood friends, Kai and Gerda, live next door to each other. One winter's day, Kai is struck by pieces of the shattered mirror and, now cold hearted, meets the Snow Queen who steals him away. Gerda, with her true love for Kai, sets off and treks north, in her quest to rescue him.

**It's behind you, an evil game show, a traditional winter festival,
magic, Dame and Silly Billy, family jokes and dancing;
this family pantomime will appeal to all.**
